Tile	600 x 600 x 8mm	2.78	P4	18.4kg	51.84

COLOUR RANGE*

White Haven

Due to natural resources used in production there are slight colour variations between batches. Pool copings can differ in appearance to the body tile and mixing 2 different sizes can end up with slight variations. Colour swatches are a guide only. Samples you receive may also be slightly different to what is received. Stoneware pavers should be laid with approximately 2-3mm gap to avoid chipping. This product has a V2 Variance rating. Please refer to the charts below.
